## Social Action

(Contact Volunteer Coordinator if interested in assisting)

### Share the Plate

UUCLR shares the offering plate collections twice a month with worthy causes. On second and fifth Sundays, the offering is shared with a variety of groups. Suggestions for groups are welcomed. On fourth Sundays, our offering goes to support the work we do with Our House, a family homeless shelter.

### Prison Literacy Program

Currently a group of members volunteer at the state run Rehabilitation Center at 4823 West 87th Street. They meet with residents three nights per week. The Residents appreciate the non-judgmental caring and sharing. They have described this program as a refuge, reminding them that they are still part of a community. Wanda Weaver 568-2291

### Our House Shelter Dinners

UUCLR has served dinners at Our House for many, many years. This facility supports the working homeless and helps to transition them back to independence. A small group from the church meets once a month at the facility, providing a dinner and serving it to the residents. Edith Bradberry [edith9155@sbcglobal.com](mailto:edith9155@sbcglobal.com)

### Recycling

On the first Sunday of each month, our Recycling Team collects electronic devices, batteries, used printer cartridges, fluorescent bulbs, and other items for recycling. Aluminum cans and metals are collected and delivered to a recycling center and the funds collected come back to the church.

### Earth Ministry and Green Sanctuary Program

The Green Sanctuary Program, originally nurtured and managed by the Unitarian Universalist Ministry for Earth, was designed to give roots and wings to the vision that, together, we can create a world in which all people make reverence, gratitude, and care for the living Earth that is central to our lives. We seek to complete this program.
